

BRAVO® 6

PIR Motion Detector

Superior Harsh Environment PIR Detector with Pet Immunity

Introducing the Bravo6 dual element PIR detector from DSC. A new detector that's going to change your expectations for stability, sensitivity and cost effectiveness. Not just a detector for harsh environments, the Bravo6 PIR offers a new level of detector performance your business can depend on in every security installation.

Features common to Bravo2, 3, & 6 :

- Multi-level Signal Processing (MLSP)
- Low noise sensors
- Temperature compensation
- High level static and transient protection
- Exceptional white light immunity
- Excellent RF immunity
- LED on/off jumper
- Wall/corner mounting
- Attractive styling for any decor
- Super quiet operation

Multi-Level Dual PIR Lens
